

Minutes Executives Board
Louisiana Swimming, Inc.
13 March 2010

The meeting was called to order at 1:20 PM by Wally Fall, Chairman. The minutes were accepted as posted.

Wally Fall explained the LCAP program for USA Swimming. Level 1 is to be completed by the end of March.

It was advised that all clubs that completed level 1 of the club portal send a club coach to the USA Swimming convention in order to help clubs raise standards and bring in new ideas.

The position of Program Chairman held by P.J. Keller will be temporarily filled until a permanent chairman is elected by a vote in September at the General Membership meeting.

A committee selected by Wally Fall will look into what USA Swimming has on their books concerning the merging of clubs. A report to be presented if necessary at the General Membership meeting in September following the convention.

Ed Kelly will contact Sulphur to see if they can and are still interested in hosting Short Course State 2010.

Respectfully submitted,

Joan K. Casseri, Secretary
