

Board of Directors Meeting

16 MARCH 2007

MINUTES

The General Membership Meeting's dates and places were corrected to read as follows: 2007 - 24 September, St. Martin's, 2008 - Lafayette, and 2009 - Shreveport.

A MOTION was made, seconded and passed to send and pay the expenses for two officials to attend the National Clinic.

The Spirit Camp has been cancelled due to the fact that there would not be enough swimmers signing up to offset the \$5,000.00 cost.

A committee directed by Colleen Barczyk to study the time standards for State Meet qualifying times has been charged with looking at the events where there are less than 16 swimmers and adjust the times to accommodate 24 swimmers. This can be looked at over a two year period.. A file by Jack Jordan will be created to help the committee locate the events where there are only 16 qualifying swimmers.

A PROPOSAL was made and agreed upon to research the idea of a closed Senior division which would be open to swimmers 19 and under who competed for a team in the Louisiana during their last year of high school. The idea behind this would take care of our 19 year old swimmers who are seniors or who have graduated from high school and have not yet attended their first year of college. All other age groups would remain the same.

The Swimmer of the Meet (Damon McCoy) Award point system is as follows: O.T.- 7, SR. - 5, Jr. - 4, Top 16 - 3, S. - 2, and State 1st Place - 1.

Colleen Barczyk would like the association to form a better District Meet in order to keep families and swimmers in our programs.

The Zone Meet information will go out by 15 April with a 1 July deadline. There will still be an option to place additional swimmers on the team if necessary at State Meet. Information can be checked on the web.

Respectfully submitted,
Joan K. Casseri,
